“ My deepest condolences go out to all Lonnie Juniors family. He was my first cousin and I have so many happy memories of him when I spent 6 weeks one summer with his family when I was 10 and he was 8. He and his brother had a goat wagon and we rode in it in a 4th of July Parade. He was always so kind and caring even at that young age. I know I'll see him one day in Heaven.##imported-begin##Genevieve Karnes Heeley##imported-end##

“ To the Weddle family: I am so sorry that you will have physical separation now from your beloved husband/father/grandfather. I hope you can take comfort from knowing that he is now with the Savior that he loved and served while here. I still remember the vacation I took with Lisa and your family to Florida. All of you were so kind to me. Mr. Weddle demonstrated how he loved to make others happy. My prayers are with you.##imported-begin##Sue Hannah##imported-end##

“ To Karen and family, you have my deepest sympathy. I worked for your father in Floyd when we first moved here from Baltimore, and he was the kindest man I think I have ever met. Things were pretty chaotic for us then, I had 2 kids under the age of 4 and we had a dickens of a time finding a reliable babysitter, so he worked with me to schedule my hours week to week depending on Ronnie's workschedule so I could get my 40 hours every week. No two weeks were ever the same. Not many employers would do that for someone they didn't know at all. He was such a decent man who truly lived his faith and always believed in the basic goodness of his fellow man. He was an inspiration to every one he met, he certainly was to me. This world has certainly lost one of its most shining stars and we will be the poorer for it. I am truly sorry for your loss.##imported-begin##Joyce and Ron Donathan##imported-end##
