“ To the family of Lonnie Bishop: Please accept my sincere condolences on the passing of Lonnie. He had just finished the job at my house a couple of weeks ago and, as usual, had done a stellar job. He was a very sweet man in his own right and I know he will be missed. My thoughts and prayers are with you.##imported-begin##Nancy White##imported-end##

“ To the Family of Lonnie Bishop, Lonnie was one of the finest men I have been lucky enough to know. He and Dale and I have spent many a day painting my house from top to bottom and our relationship goes back many years. I just can not believe a man as big, strong and full of life as he was, is gone and that he will not on another day day be coming to my door saying, "Morning Miss Pam". He was a craftman and an artist. His attention to detail was flawless. He was simply The Best in his work. But it was as a person that he really shone. He was honest, kind, considerate and gentle. He loved all of his family very much. I share your sadness and offer my most heartfelt wishes for comfort in your time of great sorrow. I will miss him for a long time to come.
