“ My heart is saddened to hear of the lost of this great lady. She was always like a second mom to Betty and myself. We were always welcomed into her family. We all have lost an angel but our God has gained one. My condolences to the Family.

“ I am so sad. Mrs Styles was not just my neighbor but also my friend. When we talked she always reminded me she loved me and if I needed her all I had to do was call and someone would be right here. Please know if you need me all you have to do is call. I love you all.
