“ Lorene was a dear friend of ours, and we had some wonderful times at the Peach Bowls and at North Carolina State Football games with Coach Steve Robertson. She had such a wonderful personality and smile. She was a beautiful christian lady. Her absense will be missed. We loved her so much. When we went to Greer, we would visit her. We were always welcomed with open arms. Love, Tommy & Jeater Forrest###imported-begin##Tommy & Jeater Forrest###imported-end##

“ My Dear Sara Lee,
It would be my guess that you will not remember me, you, Lorene, Lucille & Harold had great parents and I loved them. Your Dad use to tease me, and I loved every minute of it, and if he got tired then Mr. Tate would take his turn. Your mother was one of the sweetest ladies ever, and not long before she died I visited Brushy Creek one Sunday night she was there. After the service I started to leave and she was waiting for someone to pick her up..I offered to take her home, but I knew she did not remember me, so I just stayed and we had a nice talk. Over the years I've thought so much about your family and the part each played in the Brushy Creek Community and indeed SC. I called your dad "uncle Manly" tho he was not, but he was a cousin, my grandfather was Jesse Alton Hudson and he to had a brother Manly.
Thank you and may your memories give you peace and I look forward to seeing you at Fathers House.
