“*Rainie was my best friend from Air Force Basic Training and Technical School! We had so many laughs & some tears with our military adventures! I surprised her when it lined up that we were both coming back home from leave at the same time! I was coming back from almost a year in Desert Storm. Rainie's Mom, Barbara picked me up from one gate at the Air Port and then we when and met our girl! The look on her face was priceless! We both bawled like babies!*

Rain was apart of my soul! I loved her and her whole family like they were my own!

We lost touch after some years sadly and I just found out the devastating news yesterday that our sweet girl was gone! I felt suckered punched! Why? It's so unfair! Why didn't we stay in touch? Why.....

So here I say today, live love everyday that you can to those special people who God blessed you with! Don't let to much of living your "everyday" things of life get in that way!

I will miss you my forever friend! Thank you for every single memory! I know you are still with us here and I can only imagine some of the candid, wacky things you would say to make us all smile! Even as I right this.... I feel the peace of your love all around!

We were all blessed beyond measure because of you! I see you again someday ❤️

“ Scott, Marilyn and Family, My heart is with you all during this difficult time. Although I never had the honor of meeting Lorraine personally, I feel as though I knew her through you both. GOD called an angel home, and what a joy it is for her today. Scott, I will always be available to you no matter where I may be. The thin blue line will always apply. I love you and just know that Lorraine will be waiting for you when it's our day to see our glorious home called heaven.

“ Lorraine was truly a character, so funny and full of life. I will definitely miss her. I got to work with her at gsp and would see her once in awhile over at furman where she had a yoga class. I remember on food days at gsp she used to tease Byron about his meatballs, so funny. God bless you Lorraine, may you find peace in heaven. God bless Lorraine 's family, may they have peace in this life until they meet again, amen

“ Scott, Frank, Barbara, and Families, No words can express how sad we are for your loss of Lorraine. Our Christian beliefs tell us that we will all be reunited one day, but it's so difficult to cope with your loss of such a wonderful wife, daughter, sister, sister-in-law, daughter-in-law, and Aunt right now. Lorraine's ability to light up a room with her outstanding personality has to have made Heaven a little brighter this week. We have learned that you will all think of her every single day going forward, and we pray that God blesses your families, as your special angel watches over each of you. Thank you for all the many kindnesses that Lorraine, Scott, Frank, and Barbara have given to all of us. It is a blessing to all of us in the Greenville area of Lorraine's impact directly or indirectly with our lives. Our most sincere sympathies and prayers, Bob & Mary Brantley

“ I met Lorraine at GSP while working at one of the restaurants. She was the most loving, sweet, caring woman I believe I've ever met. She was always there to listen when I needed to talk. And I loved her stories. And the hugs!!! I've missed her since she left GSP some years back. But I will miss her on a whole different level. Scott and family, I'll be praying for peace and comfort in the days ahead.

“ Lorraine and I went to Lacey together. She was my home room buddy. I always turned around at my desk to chat and laugh with her. She ALWAYS had a smile. In fact I just took out my yearbooks a few days ago and saw her message to me. I am so very sorry for your loss. I know God has her in his arms and I will continue to pray for her family and her friends comfort and peace. God Bless you Lorraine ❤️
