She was a force of nature! Strong, smart and one of the smartest people I've had the privilege of knowing. I love her deeply and she will be missed.

Lorraine was a great person. She was so loved. I enjoyed booking trips for Ronnie, their friends and her. She will be missed. Cherish her memory. I sure will. Till we meet again. Prayers for her family and friends. -Cynthia Masters

“ I am extremely sadden to learn of Lorraine's passing, she will undoubtedly be missed, her smile and full of life laughter was always consistent even during her battle. I am very honored to have called her a friend and to have known her. My condolences to her entire family and friends. She was unapologetically a force to be reckoned with a true love and fight in her soul. I will always see her flaming red hair, infectious smile and laughter and arms wrapped around each other in my memories of her, every time we'd see each other. She was always the same person always and brighten my days when she and Debbie would stop by. She was a true advocate for the youth she and the group home sheltered. I will definitely miss her. ---- Erica McElrath

“ Lorraine and I have been friends for almost 50 years. We have been through thick and thin and could always count on each other for support, no matter what. If love could have saved her, she would still be here. Rest easy my good friend.
