“ Remember that Miss Lottie always chose “Victory In Jesus” on the Last Sunday night of the month, when we only had a prayer and then congregational songs for the entire service.

“ Our sincere condolences to the family. Bob and I had the great pleasure and honor to meet and get to know Ms Lottie through the Meals-on-wheels program. To spend time with her, to hear her stories, to share her family pictures. Every Tuesday we would make sure to stop by for a visit, even after she stopped receiving Meals. We will miss our talks, words to wisdom and blessings. RIP sweet lady,

Love you, Bob and Cynthia

“ *My sincere condolences to the family, you're in my prayers.*

I have some wonderful memories with Ms. Waddell while she was at Morningside during my employment there. She loved to have someone sit and talk with her whenever possible. I tried to visit with her every chance I got, she was one of the sweetest ladies I ever met. Don't get me wrong, she could get a little angry if something wasn't going her way, but that didn't happen too often. When she found out she was leaving Morningside, she gave me a butterfly magnet that wouldn't stick to her refrigerator, it's on my computer lamp right now and I wouldn't take anything for it. Fly high sweet angel.
