“ Charlie and Judith

Woody and I have such wonderful memories of your mother over the past few years. She was an amazing lady with a remarkable love for life and an impressive ability to recall special loving memories of her family over her 101 years. We cherish the short time we were able to spend with her. May the peace that comes from the memories of her special love she shared comfort you now and in the days ahead.

Love and respect,

Woody and Katherine##imported-begin##Woody and Katherine Bayne##imported-end##
