“ So many beautiful memories come to my heart when I think of Aunt Louise. She always made everyone around her feel special. I so enjoyed listening to her stories, her songs, her bible verses and tasting those amazing biscuits she would make when she came for a visit. Louise reminded me so much of her mother, my grandma. Her strength of character and her faith were only matched by her ability to love. There was always lots of love to share when Aunt Louise was around. I never tired of listening to her laughter, seeing her smile or hearing all about how proud she was of her children, grandchildren and great-grandchildren.

She was a beautiful lady, inside and outside. We are so blessed and honored to be connected to her as family.

We send so much loving support and prayers to her children, their families and her friends. Our deepest sympathies and condolences are with you all.

“ *What a wonderful Godly lady that I have had the pleasure to know over the years. I have always been impressed with her knowledge of the Scriptures and her warm hospitality. I recall seeing in her home a few years ago and I felt right at home and was sad when my visit was over. I will always treasure her love for God and it is truly said of her, "Blessed are the dead that die in the Lord." We will all miss you. Michael M. Jordan*

“ I am truly so sorry to hear this, my heart is broken for you all. Louise was always there at church with a smile, always a kind word and a hug. She made me feel so welcome at the very beginning when I returned to BSCOC.

Such a loving, thoughtful & caring Christian lady. She will be missed terribly, but certainly not forgotten! Praying for comfort and strength during this very difficult time. Sincerely and In Christian Love, Pat Hancock-Brown.
