“ Mrs. Howell was my 5th grade teacher, 1976-77 school year....she made the multiplication tables a little less torturous....she was still teaching in 1999 when I visited her class to talk about art, and she actually remembered me! Best wishes to the family during this difficult time. Tony Lindsey, Lyman SC

“ Sad to hear of her passing! Mrs Howell was one of my favorite teachers (5th grade 1988) I can still remember when she was "fussing at the class" she would look up and not directly at us.. she made 5th grade fun and memorable! ❤️

Mrs. Howell was my 5th grade teacher. She was one of my most favorite and memorable teachers at Mountain View Elementary (1981). She displayed such a passion for her teaching and her students. Two things that come to mind, our class did a smurf theme for May Day and all the girls were Smurfettes. 😊 And still to this day at age 45 I can still name all the States of this country along with there capitols. Rest In Peace Mrs. Howell and God Bless the family.

I am so sorry for your loss. Louise was not only my cousin, she was also my role model when I was growing up. She went to college and became a teacher so, I did too. She never led me astray. I'm sure that she was a role model for her students as well. I am so glad that she retired in time to have some fun years before becoming so ill. I am also glad that she was feeling better towards the end. Those are wonderful memories that you will cherish forever. I am so sorry that I won't be able to attend the services. I will be there in spirit.
