“ I have many fond Powers family memories while I was growing up! Louise was a special a special lady. I always thought of her as Aunt Louise (along with Aunt Calla Ruth and Uncle Fitzhugh).

One of my favorite memories of Louise is her laugh. She had the most infectious laugh and I would be reduced to tears when she would relate a funny story because she would laugh so hard while she was telling the story. I can still close my eyes and hear her laughing... What a nice memory!

Our love and prayers are with all of you even though we can't be there in person.

We have many fond memories of Louise. She was a wonderfully sweet and good person. I remember our walks to school when we were young.

One of our favorite quotes is "To live in hearts we leave behind Is not to die." Very appropriate for Louise.
