“ *Raymond, I do not even know if you remember me or not. I used to
square dance with you and Louise. My name then was Misty Smith,
but since then I have gotten married and am now Misty Cisson. I
was so sorry to hear about the passing of Louise. I always loved her
for being so kind to me. I will always remember her saying "Go
dance with Raymond so I can go smoke." She always was so funny,
and I know how much you will miss her. Please give my
condolences to your girls, and if there is anything at all I can do for
any of you, please do not hesitate to let me know. Love you all,

“ *Darlene, Sandra, Raymond and the entire family.*

My thoughts and prayers are with you all right now. Louise was a wonderful lady and she will surely be missed.

One of my favorite memories of Louise was at Darlene's wedding. Louise and my Mom were sitting on the back steps of the church laughing, talking, and drinking coffee. It was a wonderful day with many loved ones around us.

I guess Louise and Mom can sit on the back steps in heaven now and drink coffee and laugh together.

I wish you all peace and comfort during the coming days.
