“ My prayers and thoughts go out to the Fiske family. Lou was a great Father and wonderful husband. He was a good example for his children and grand children. Lou and Beatrice were always warm & friendly to the kids in the neighborhood. It was always fun to be at the Fiske home. Lou always had great stories to tell and funny jokes. He was always doing something with the kids. Lou will be missed and well remembered. God Bless!##imported-begin##Vanessa Petersen##imported-end##

“ Dear Fiske family - Please accept my warmest condolences. Louie was my best friend when we were teenagers. We rode bikes together, built forts and did all the things that kids did in those days. My first "double date" was with Louie. He was a wonderful and caring friend.##imported-begin##Peter Merriman##imported-end##

“ To the Whole Fiske family,  
You are in my thoughts and prayers in this time of sorrow..  
Louie will be sorely missed. He was such a great guy that would do anything he could to help. He was able to fix most anything, as I called on him a few times for :-)  
I enjoyed our many camping outings and the different campers he would get, each better than the last.  
I guess Heaven needed something fixed... R.I.P. "Uncle Louie".....###imported-begin##Mike Casey###imported-end##

“ Oh Louie,  
We are sad for ourselves but know you are in Paridise. No more worries about things in life that worry us. We can only imagine what you are seeing now. We will greatly miss you. You were the best father in law I could have asked for. You made the family "jump" when you felt it was necessary. We know you are reunited with your mom & dad. Enjoy Paridese & we will see you again when it is our turn. Lots of Love Always, Kathy###imported-begin###Kathleen Ellen Fiske###imported-end##

“ We are so sad, & shocked to hear of Louie's passing. He will be greatly missed by all his family & friends. Louie was such a vital & active person, so full of lliife. That is what makes it so hard to believe. He was brilliant. & skilled in anything he ever wanted to do. He could look at something & know exactly how it worked, & could fix it.. We never knew anyone as genius as Louie. Our deepest regrets to Bea & the entire family. Wish we could be there for you.###imported-begin###Rich & Terry Parenteau###imported-end##
