“ Even though I met Lucy at the end of her life, we shared a beautiful and special bond. She will always be my sweet girl—precious, deeply loved, and unforgettable. I will miss her dearly.

I pray that God grants her eternal rest and brings comfort to her family and loved ones.

Her light and gentle spirit will remain in my heart forever, and I will carry her memory with me always.

Thank you Gloria for the times that you went and sat with mom there at the nursing home. I know she couldn't say much, but I know she enjoyed having someone around. Thank you for all you did. Her family appreciates it very much.
