“ Luke, I just found out, I'm sorry I wasn't able to come see you. Luke and I worked together at Hoechst Celanese. I spent many of nights fishing at the Greenville water shed with Luke. He would tell me so many stories of Vietnam. I love you brother and miss you, David Joyal Jr. Aka shedman.

“ I miss you so much daddy. I am so glad we had those late night chats in the hospital and our daily chats on the phone. You are forever in my heart!!!! I know you said not to cry and I am trying but it is hard. However, I know you are at peace, and cancer or Karen can not hurt you anymore. I love you##imported-begin##Melissa##imported-end##

“ *Luther or Junior as my dad called you. You have left this world way to soon. Although we did not grow up together I'm glad we finally got to meet through your dad. I know we did not see each other often but you were in my thoughts a lot. I remember in the early 1970's My dad uncle Herman to you was sick and I called you to help us talk him into going to the hospital. You were a great help. I also want to thank you for your service in the Military. Now you are in Heaven with Your Mom and Dad and your Uncle Herman. (My Dad) May you now rest in peace. You had a good Heart. Our Family Loves you and you will be Missed. May I say My Dad loved you as a son so you are together in Heaven and I believe our beloved family members that have passed away are our Angels looking over their loved ones. That is what gives me comfort. I love you and you will be missed. I will visit your resting place as I go around and visit Your Dad, My Dad, and our Grand parents that passed away so early in life we never had a chance to know them. God Bless you into Heaven and may God Bless your Children who will never stop grieving over you, their Dad. I love you and will meet you in Heaven some day.
