“ Sending love and prayers to you, Robin and all the family. She will be missed immensely. I have so many memories of Lynn, I could not even begin to list. We were always there for each other in the good times and not so good times. Anytime I had something going on, my mom always called Lynn. I cherish all the memories and blessed that I could call her my friend. I know she is with our Lord walking those streets of gold with Richard and the mudcats that are there. Love y'all.
