“ *Dear Nanci & Family:
My heartfelt sympathy in the loss of M.C. - such a special person loved by so many people. My daddy, Graham Coggins, loved him like a brother and they always had a 'joking good time' when they saw each other - it was special! I knew him from the time we lived close to you when we were kids, it seems like a long time ago, but then again, just like yesterday - when you were hurt and I would visit you while you were healing to help pass the time. He would come in while I was there and he was so caring with you and also with anyone he knew - M.C. will be missed by so many people. May God's love and mercy give you the peace and strength you need during the coming days and may your many memories keep him close to your heart. May God bless each of you. With my love and prayers, Linda Coggins Roberts*
