“ Mac was a super funny man that I love to kid with. No matter what was going on in life he found a way to make a joke out of it but he always made me laugh. Cindy, I am so sorry for your loss and please know that you and your family are in our prayers.

Love,

“ MAC was one of the best people it has been my honor to know in this life. He always treated me like family and always had a way of making you laugh and smile. I will always remember how much he hated VEG-ALL. Cindy, James and Adam, I love y'all and know you are gonna miss him terribly but take heart because we will see him again when Christ restores all things. Death is really a good thing even though we can't see it because of our sadness because death is truly where our real living begins. We are reborn completely when this flesh is gone and our spirit is set free. I will be praying for y'all.

With love,

Brian Ward

“ My “Baby Brother” Mac!! My Mother was in our (Ellen Henderson’s) Sunday school class (Family!) @ FBCG & she loved Mac as her own son. She always tapped the seat beside her for him to sit down. After he was trained as a Hospice volunteer, he & I served as a team helping the carer receivers & families journey thru end of life. When we lost Mother, in Januafray 2015, he was devastated. When I lost my husband, Douglas, in August 2018, he was my escort & held me the entire service. I learned to shag (!) from Cindy & Mac!! There were many, many times Baby Brother & I met @ The Dutch Plate— & I got such a big kick from watching him kid the other regulars there! No one was a stranger to Mac. He was much loved by all who knew him & will remain close in our hearts ALWAYS! “Go rest high on that mountain,” Baby Brother. We love you!!

So sorry for your loss. I always knew him as Tiny. I knew him from DMX Trucking. I don't think that I ever met a kinder person than he was. I know that he will be missed by everyone that knew him. Prayers for the Family.

“ I worked at Honeywell in Greer, Tiny would make pickups and deliveries. He was always so sweet and kind. If you were feeling down he would give you a big bear hug and it would lift your spirits. I know when God saw that sweet smile he said welcome home my child.
