“ Somewhere in my dreams tonight
I'll see you standing there
You look at me with a smile
“Life isn't always fair”
You say you were chosen for his garden
His preciously hand picked bouquet
“God really needed me,
That's why I couldn't stay”
It's said to be that angels
Are sent from above
I've always had my angel
My Granny — whose heart was filled with love
Wherever the ocean meets the sky
There will be memories of you and I
When I look up at the sky so blue
All I see are visions of you
“While there's a heart in me, you'll be a part of me.”
