“ I am so sorry for your loss. May God wrap his comforting arms around you with his peace and love. I am going to truly miss Mae. She has always been so pleasant and such a joy to visit. What a special lady. Our visits were filled with laughter, joy and fun, as Mae would always tell us that she is just 39 years old. "I reverse my age", she would say. Then she would say "I'll be 49 in November". She also enjoyed being involved in activities. Mae loved her family, the church and her friends so much. She was always so gracious and appreciative of our visits. Heaven is sweeter today because of Mae. I loved, loved loved this precious little lady!
