“ Keith, Shane and LeeAnn I am so so sorry for your moms loss. She was a wonderful Christian lady who we all loved. She was for a very long time my moms best friend. We had so much fun at north wood church growing up! I know you will miss her terribly. Much love,

“ LeeAnn, Shane and The Plemmons Family, I am sorry to hear of your mothers passing. She was a beautiful lady, inside and out. Always a kind word and a smile to share. LeeAnn you look just like her and you too have her inner and outer beauty. The two of you are blessed to of had a mother that loved you, cared for you, and provided for you. She loved her family and was proud of them, especially her grandchildren. May you find comfort and peace in knowing she made a difference in so many ways and God blessed her by bringing her home in peace and His love. Praying for your family.

“ *Mae was quite a lady! She always had something to say and could bring a smile to those in her midst with ease. She was a longtime colleague at Rosenfeld-Einstein where hard work, loyalty and customer service were her hallmarks. Mae was a “giver” in life....always giving more to others than she ever took for herself. And when faced with adversity, she just looked forward and kept going....never afraid of doing the hard work. When asked how things were going, Mae often replied “I’m riding around town with the top down!” And I bet she is! She left this world better than she found it and touched so many of us along the way. Sending peaceful wishes to all of Mae’s family and friends.*
