“ Our heartfelt sympathy in the passing of your Father. We have known him for many years starting with our purchases of furniture to start our home together. He worked with my dad at T.E.Jones when me and my sister where little girls and we would always see him there. Every year we would watch the Santa Claus parade from the upstairs window at the store and your dad would always help daddy get us situated before the parade started - he was always so kind. He, Richard, and daddy were friends until daddy died. May God surround you with His peace and grace and give you the comfort only He can give during this sad time. May God bless each of you.
With our love and prayers, Clyde and Linda Coggins Roberts
