“ *Marah was an amazingly sweet person. We were in school together and rode the same bus back in the day. She was funny and kind and was always willing to share her bright smile with a friend or a stranger. I so badly wanted to be at her visitation today to pay my respects to the wonderful people she must have been surrounded by, but could not get there in time. Please know that I am thinking of all her close friends and family and I will be keeping you in my prayers. Marah will always be remembered by me as being a beautiful soul and I truly appreciate her influence in my life. May she Rest In Peace.*

“ *Dear Bomar and Worthy families:  
Words are simply not enough to express my heartfelt sadness for your loss! Marah was a beautiful young woman, inside and out. There are too few young people with the glowing personality and optimistic outlook that sweet Marah had. Her loss has been a blow to all who knew her. She was well loved and will be deeply missed by us all. Please know that there are many who mourn with you and we pray God's comfort and peace for all to face this tragedy.*
