“ Mrs. Hulehan was one of the first patients i cared for while doing my clinicals at Magnolia Place. She always made me laugh. She was so much fun to be around. She always had a funny line or joke to tell. I always knew she would have a very special place in my heart. I love her and I will truly miss her###imported-begin##Lesa Williams###imported-end##

“ Nancy, Larry and all,
So sorry about your Mom. She had not lived really in the last few years with the health problems she had. That still does not lessen the pain of losing a loved one. Thank God now, she is whole and can see. I keep you in my prayers.###imported-begin##dot Mills###imported-end##
