“Joan, please know that you and your family are in my prayers. I am so happy that I had the chance to meet her. I know you loved her very much just by the way you spoke of her. How blessed you are to have had such a wonderful woman for your mom. I hope that your pain will be lessened in the fact of knowing that you will be reunited with her in the future. God's peace surely passes all understanding for those who know Him as Father. I love you and the grandkids.
