“ My prayers go out to Paul and JP I'm so sorry for your loss. I've known Marcy for 25 plus years. She always made you feel special and always smiling. I could sit in her chair and the two of us could solve the world's problems. She was definitely someone you could tell anything and it would stay with her. She will be greatly missed. Until we meet again 🥹

“ For 23 of the 24 years I lived in South Carolina I had the privilege of knowing Marcy. She wasn't just my hairdresser she was my friend. My time spent in her chair was always a happy time. Marcy had that God given ability to make you feel special.

Good times, not so good times, through illnesses, losses, all the “lifestuff” she was one of those people that just made you feel glad to be with her.

She was the last person I saw before I moved back home to New Hampshire in September. When I was leaving the shop there were tears. JP opened the door for me like he did each time I came to the shop and I wished him well and told him, “take care of your Mama, she's special.” I cried a good bit driving home to Taylors because I was already missing my friend.

We exchanged text messages through the last few months and Facebook messages but it wasn't the same. Life may go on but I will miss Marcy. Heaven has a new angel watching over us.

My sincere condolences to all of Marcy's loved ones.

“ May God bless Marcy and her family. She was a wonderful person and I'm so glad I got to spend some time with her when I was in South Carolina. She did my hair one time, and we had a wonderful conversation. I went to a Christmas party at her house, and she cooked most of the food and everything tasted so good. March was kind, thoughtful, caring, giving, funny and I was glad to have her as a cousin. Sending lots of love to her family who I know will miss her very much.

“ For almost 20 years I sat once a month before Marcy as she trimmed my hair, and we solved most of the world’s many problems! We prayed together during Paul’s illnesses, prayed for JP as he entered high school and college and then sat and prayed in the critical care waiting room after his fall and resulting head trauma. Every month I looked forward to our spending time together, always being greeted with a smile and knowing whatever or wherever our conversation went it would be with grace and kindness. Marcy NEVER complained, even in the midst of many serious circumstances being faced. She always was trusting Jesus and that faith was encouraging to me.

One time the question was asked of me ‘who inspires you?’ Jesus was my 1st response, but very next in line was Marcy & JP...of their handling of these past few years with so many unknowns being faced, and doing it with grace! Complaints to and about others were non existent while on this Earth!

Marcy was so much more than my hairdresser..she was my friend whom I will deeply miss. She loved her family deeply (and still does!)...she treated others with kindness...and she has moved on to a life that will never end; with a perfect body that will never hurt or get ill; and smile that can’t stop because she is walking hand in hand with Jesus in eternity!

I will miss you my friend..but only temporarily! And have your scissors handy because I’ll surely need a trim when we meet again!

“ Dear Family and Friends, we are praying for you all.

Marcy touched so many lives. There are not enough words to express how much she is loved. She is no longer suffering but is with Jesus, walking on Streets of Gold, and in a New, Perfect Body. Her smile and laughter would light up a room. She was always positive. Marcy and I have been friends for over 10 years. I have many fond memories of times shared with Marcy.

She always had such a warm smile and loved everyone. She was always concerned with other people, loved her family and friends, making everyone feel welcome.

Marcy leaves behind a wonderful legacy. She was an exemplary wife, daughter, mother, and friend. Many times, we would pray for each other.

Earth's loss is Heaven's gain. Thank God we will reunite with Marcy in Heaven. Marcy brought beauty to the world.

May God provide your each and every need including grace, peace, comfort, love and discernment. I cherish all of the memories and times spent with Marcy.

Marcy was such a gracious Southern Lady. If there is someone, either a Friend or Family Member, who is not saved, may this be the time that someone will repent of their sins and accepts Jesus as their Lord and Savior. Remember the special times shared with Marcy.

Sending healing prayers and comforting hugs. We are so sorry for your loss.

Thinking of you and wishing you moments of peace and comfort.

Please accept my deepest condolences to you over the loss of Marcy. I offer you our heartfelt support and friendship in this difficult time.

I know I can't make your pain go away, but I want you to know that we are here for you with a shoulder to cry on or an ear to listen with, or anything else you may need.

You are all in our thoughts and prayers.

Love and prayers,

“ For over fifteen years Marcy helped me to look my best. And she had her hands full. No matter how scraggly I looked when I came into her shop, she always met me with a smile on her face, never complained, and always had kind words to say. I was not her only client because she would also book my daughter Pam and my Grandson Devin at the same time. And I could never leave JP out, He would stay as we all Joked and tried to solve the world problems. When JP had enough of laughing and joking, he would ease into the back room. Marcy was more than just our hairdresser, She was our friend. She was a Loyal Special Friend. We Loved Marcy and beyond a shadow of a doubt I know that Marcy Loved Us! We will miss you dear friend.

JP, no mother could have loved you any more than your mother loved you. You and your mom shared a very special bond. Keep that Memory close to your heart (that's where she'll be).
