“ *Family,
I am deeply saddened of learning of Ms Margaret’s passing. She was absolutely wonderful. My brother and I grew up knowing her at daycare. We also grew up in the same neighborhood where her and Mr. Henry lived. I spent hours helping Mr. Henry around the daycare. So I was no stranger to Ms. Margaret. We loved her and she was always the best. Even after we got older my brother and I would still stop and talk with her when we saw her out in the yard working. She loved to work in her yard. She will be greatly missed. She was always very proud of her sons and her grandkids. She was always talking about one of them.*
