For over 35 years we have been best friends. Whether we talked every day or months would go by we always picked up where we left off. We worked together, played together, and cried together. Just to say she was my friend isn't enough, Jean was so much more. She will never be forgotten. She will always have a place in my heart. You made an impression on so many people with you smile and quick wit. Jean you are a true Angel. I will miss you and see you again someday.
