“ *Mama, Today we will honor your life here on Earth. Words could never express my love for you. God made a special Mama when He made you. I have always felt your unconditional love. Your family meant so much to you and you spent your life showing it. Never once I ever remember you being at odds with any of us. God gave you 90 years, you got sweeter and more dear to us each year that passed. I wanted more years with you, but I guess God thought you had ripened enough to pick you for His garden in Heaven. I will give you the biggest hug ever when we meet again. I will miss you so.*###imported-begin##Adrienne Propes###imported-end##
