“ Ken, We are so sorry for your loss. We didn't even know Margie had been very sick recently or that she had passed until Thursday night. We were a lot like her, not good at visiting, but we loved her very much. She and Fred were a large part of my childhood memories. When they came on Sat. nights, it meant hot dogs with homemade chili or hamburgers and much laughter. I will treasure the memories always
GOD Bless you for all you did for them.##imported-begin##Donna Kay and Jack Sams##imported-end##

“ So sorry to hear of Margie's passing. I stopped by her house a few months ago and we talked for a long while. Of course, she new all of my kinfolk and she remembered me also. She sat in the swing and seemed to enjoy telling me stories of long ago. I will miss seeing her sitting in that swing when I pass by.##imported-begin##Carolyn Bowers Southern##imported-end##
