“ You left behind so many who loved you mijita. So many whose lives you touched and made better. Your daring enthusiasm and spunk was so invigorating to others. But what I will remember most is your sweet smile and that silly laugh you had. Made me laugh with you. Rest in peace beautiful angel. You are home now....with your father.

“ I met Christina about a year and a half ago when I became employed part-time at LEGACY in the Transportation Department. Our office is shared with the Woodside CrossFit where she worked as well. What an engaging smile she had and such a beautiful personality. I learned of her passing just yesterday (Monday June 6th). Since that time I have been reflecting on the brief moments that I was fortunate to share with her. I became good friends with her dog, Saco! She had a special place for Saco at work and all of the transportation personnel got to know Saco well. Rest in peace Christina. Albeit so brief, I was blessed to have become friends with you. My condolences to your entire family

“ We first met Cristina when our boys were racing motocross at Muddy Creek Raceway. She was a little bit of a girl who raced with the guys, not afraid of anything and always with that thousand-watt smile! No one else we know has that zest for life and drive to achieve new heights. Now she's the highest she's ever flown, and the happiest. Godspeed, Cristina. You are so missed here below.

“ It has taken me a few days to be able to compose myself enough to type this out. Even now tears are falling down my face. I told you before that there were few people I trusted and opened up to but your light drew me in. I told you there were few i considered to be close friends but you became very close. You never judged anyone and even when I thought I couldn't do the workouts you gave my alternatives, talk to me about better food choices, better personal life choices and just goofing around. That smile would light up the room. I love you and I will miss you dearly. I hope you can see the results of your inspiration and what it has done to me on my wedding day. I will be thinking of you forever RIP Christina

“ Christina was one of the sweetest girl I have ever known. Her smile was contagious. I have great memories of the times she came to our home with our daughter Crissy Thomas. She was another member of the family. Seemed like another daughter. The trips to our lake home and the dinners we shared when we went to Greenville was so much fun
Christina you touched our lives in a positive way and you will always hold a place in our hearts
Rest in peace sweet girl. We love you

“ I will always remember Cristina as a dynamo bursting with energy and a contagious smile. She was always willing to lend a hand and so so accessible. I loved how she would stop by every time she came upstairs to the high school floor... Just to touch base! I will cherish the interaction I had with her last year and will miss her dearly.

My condolences to the family.

“ Cristina was everything I was not. She was kind, brave, selfless, obedient and always searched for the good in everybody. I am heartbroken. She was the world's best cheerleader and God sent her here to be a walking Ray of light for all of us. If you had the honor of even knowing her for 5 minutes, you know what I am talking about. I am going to miss her FOREVER. She meant something to us and her life mattered. It really did.

“ Christina was one of the happiest people I've ever had the privilege of knowing! She spent many hours with Christi, Andrea, and Noah and I while they were all growing up. She stayed at our house many nights and with girls at the barn. I am so sorry this happened. Words cannot express the grief I have and the grief you feel today. Christina had so many talents and enjoyed them all. I am praying for you Estella, JC and Mathew and families. May God keep you in His loving care. “ Matthew 5:4 “Blessed are those who mourn, for they will be comforted.”

1 Thessalonians 4:13-18 “Brothers and sisters, we do not want you to be uninformed about those who sleep in death, so that you do not grieve like the rest of mankind, who have no hope. For we believe that Jesus died and rose again, and so we believe that God will bring with Jesus those who have fallen asleep in him. According to the Lord’s word, we tell you that we who are still alive, who are left until the coming of the Lord, will certainly not precede those who have fallen asleep. For the Lord himself will come down from heaven, with a loud command, with the voice of the archangel and with the trumpet call of God, and the dead in Christ will rise first. After that, we who are still alive and are left will be caught up together with them in the clouds to meet the Lord in the air. And so we will be with the Lord forever. Therefore encourage one another with these words.”

“ *We only met Cristina a year ago but it seems as if we've known her much longer. Her effervescent smile and desire to help people changed the way my daughter and I view not only our fitness, but our lives. We met Cristina through WVCF and have been a part of the program since July of 2015. Her passing is not only devastating but also thought provoking of how our actions towards one another can impact a life far beyond our ability to comprehend. Cristina's positivity and support has left a beautiful mark on our lives that will never be forgotten.*

“Inexplicable grief for the sudden passing of our colleague and friend; Maria Cristina Lindsey. Although my heart aches I choose to remember you as you are: a wonderful and lovely soul. Always ready to help and to make one feel at ease. Cristina can you help me work out; "sure!", Cristina, can you teach a class to freshmen? "sure!", Cristina, can you help with open house?, " of course !" , Cristina, what do I eat for shaping up?.....shakes”.

Thank you Crisitina!!!! Thanks for your willingness and readiness to help and for so much more. Thanks for motivating so many to be fit and healthy, including my daughter Elena Maria.

I will always remember you as a positive and a happy soul and as a kind and accepting lady. Thanks for sharing the news of your new drum set with me. It's really a nice drum set, great color! Make sure you count when you play. We will jam together somewhere some day. Till we meet again.
