Maria, I will always cherish the time that we shared together. You were always so full of life and enjoyed most everything. Most of all I will remember your love for cooking and sewing. Your life was an adventure to hear about and you could recall so much information. God blessing to your soul that now is free to share with the angels and send love to us left behind in the Earth. You are surely Blessed. For Maria's family, she truly loved you with all her heart and soul and wanted what was best for all of you.
