“ Unfortunately I met Maria when she was admitted to the facility the last few weeks before her passing and I was one of the aides who helped her... I wish I would have met her in her better days but I'm honored that I met her and her family... She was very kind and sweet throughout this whole ordeal she was going thru and I'm finally glad she is now pain free because it was really hard watching her go thru this... God bless her and her family and she will always be missed...

“ Prayers for the Palaghia family. My sincere condolences. I recollect on my memories of Maria with a smile because of her humor, zest for life, and one heck of a competitor in sports! I She made me laugh each time she would ask someone, "What'd you do, man?!" Whenever we'd feel down or uncertain, Maria would always challenge you to keep your head up and rise to the occasion! When I was the a leader of volleyball years ago, Maria inspired is to sing songs during the break time after devotional. Some felt it strange, but not Maria. She just wanted to praise the banner of Jesus Christ her Savior. It was a special time of blessing!

It was a great service tonight because the Word was preached and I know how much Maria loved the Lord. She is singing hymns in heaven now!
