“ Dear Lisa and David, I just want to say I am so sorry for your loss and the emptiness you are going through right now. I have known all of you almost my entire life. Your mom was a very strong and courageous person. She made me laugh so hard so many times but she also could put you in your place. That is what was so special about her. Marie was straight forward and honest. Even though I had not seen her in several years she will still be missed. Lisa, you are like my sister and always will be. I love you and I am here for you. David, I know you and your mom were always close and I am so sorry and I am praying for you to get through this. My thoughts and prayers are with the whole family. “ Dear Marie,

You were a good mother-in-law and friend and we shared many years. From the beginning you took me in and gave me a home and you loved me. You loved your children, their loved ones, and you loved Micaela. You gave to Micaela all the love that was in your heart and you were the best grandmother. You gave to her unselfishly and her love for you is testimony of all the wonderful love you lived and gave her. Thank you for all the love you shared. I love you Cavita##imported-begin##Cavita Linehan##imported-end##
