“ *I was blessed to reconnect with Marie in SC so many years after first meeting the Moore Family in Ft. myers FL in 1976. When I think of Marie I think of the Fruits of the Spirit. Marie personified those gifts: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self control. I always left Marie's presence feeling better for having been with her. How blessed I was to know her and I will aim to be more like her.*

“ *She will be greatly missed by so many. I was blessed to have had her in my life. Without her kindness, hugs, moments of support, I know for a fact I would have been so lost and would not be the person I am now. Rest In peace my friend.*
