“ My husband, Larry and I were privileged to live next door to Marie for 3 years in River Birch Villas. At 95, She was the best neighbor ever. So kind, and calm. If I knocked on her door she would always say "come in and sit a spell". Sometimes Marie would make cheese biscuits and share them with us. She always made a large batch of anything she was cooking. She would tell me "to be brave" if there was something I said to watch out for. Beautiful spirit she was.

“ Mrs. Marie was such a precious lady! I knew her from my mother, Katherine Dobson, who lived in Rose also. They both are with our loving Lord, praise Jesus! She was such an inspiration at her age to me. I remember when she would tell me about her father running Dill's Put-Put. I told that was a special place for me as a child. Marie always had the kindest words to say to me and would ask me about my day. Her spirit demonstrated HIS love. Praise to God she is with her loving Lord.

I knew Marie for 82 years of her long life. She was a sweet lady. My sympathy is with you, Steve, and the extended family.

“ Steve, Terry and Family, so sad to hear of Marie's passing. Marie was always a bright spot wherever she went, I am proud to say she was my friend and I am a better person for having known her. She was the kind of church worker every church needs many of, always willing to help out in any situation, and always with a smile. You are in our thoughts and prayers as you so through this difficult time. Much love, Linda & Bobby Parr
