“ *Annette: Marilee was such a special person - such fun to be around. She was a big part of my life am we s[emt] much time together for years. She introduced Butch and me. I have such fond memories of not only her but also of your momma and daddy. I wish I could have talked to her over the weekend, I called several times. She suffered so much that she deserves the rest n ow. She will never be forgotten. Every story Butch or I tell of those times always has her name in it and will always bring smiles.*
