No words can be spoken to help take the sting away your feeling right now but just know where she is there is NO sickness, pain or suffering any longer. Hold on to all those precious memories you shared together be them big or so tiny. You will find comfort in those memories.

“ *Marianda, please know my thoughts and prayers are with you. The loss of a mother is not an easy one. As an only child, I lost my dear sweet mother 13 years ago and the loss is always there. You took such good care of your mother during her battle with cancer. Please know that your pain is my pain.*

“ Dearest Marianda, may God bless and comfort your heart and spirit during this very difficult time. My heart is breaking for you ...knowing that you will no longer be able to pick up the phone and hear her sweet voice. Your mother's faith was in Christ and with Christ she now lives. We will see her again some sweet day when God calls us home. May you find comfort and joy in the precious memories you both shared. Love, Sherry
