“ *We knew Marilyn when she attended Grace United Methodist Church, Greer SC. Our mother was the organist and we all were involved in the appropriate groups in the church. I always thought Marilyn was so cool because she was athletic, had a great tan. I was a little girl at that time and to know an adult that got to play outside all day was what I wanted to do when I grew up. She was a classy lady who loved her family and always had a great smile. May you feel Gods presence, love and comfort during this difficult time.*

“ *I knew Marilyn as a member of Memorial Methodist Church. For years, she and her good friend, Claudia Riordan, kept the infants of our church so that their young parents could attend worship. What a service! They were so good at what they did, that we haven't been able to replace them. Rest In Peace Marilyn. We will miss you.*

“ I enjoyed getting to Marilyn through mural friends at our “Book Club”. I never read a book, but enjoyed her company and great sense of humor. Our group, Hilda Reese, Jane Kramer, Jane Tompkins, and Pam Baker, will miss her dearly. Sing sympathy to all that knew and loved her.
