“ *What If God Was One of Us* Yes, it is a song that was popular a few years ago. The people I have had the pleasure of meeting seem to have adopted this mantra. It is a way of life. Minahasa Lagoon Resort is somewhere over the rainbow where all of your senses fly free. This is a beautiful slice of heaven. The people are everywhere smiling and asking if I need more water or my room cleaned for the third time in one day. The restaurant offers many choices of made to order high quality meals and a BBQ once a week. The resort has an infinity pool, a library, massage studio, bar, restaurant, a travel director, and a private restaurant called “The Jungle”. You can order anything cooked anyway for lunch or dinner and the meals are served in a private setting up 135 steps high in the jungle. Pim runs a perfect dive operation. He spends every night talking with the divers to see who wants to do what. Most dive days are spent on a boat with two or three divers, two guides and three boat workers. Bunaken Marine Park is the most pristine waters I have dove in with, in most cases, a gentle current with a few big things mixed in with billions of little fish, numerous nudibranchs, and colorful coral make it very sweet eye candy. The trip to the sites are from 10 minutes to 1 hour in good seas. A big lunch is served on the return from Bunaken. I will return for sure.##imported-begin##Ririn##imported-end##
