“ I loved Mr. and Mrs. Cole. I grew up in the neighborhood and have so many great memories with both of them. (Daddy still lives on Highland) I can remember how they would always have me a goodie bag for trick or treating making me feel special. I can hear her sweet voice and see him working in the yard and I would ride my bicycle up there and sit on the picnic table and talk for hours until I would have to go back down highland home. May you feel Gods grace, mercy and love during this difficult time. Praying for you and your family.
