“ Dear Connie, Chris. Cindy & Family,

Richard & I just found out this afternoon the passing of Marion. Words cannot express how sorry we are that we did not know it. Marion was not only a dear friend, but we considered you all family. My Daddy loved Marion like a brother as they worked their entire life together at Lyman. We have so many wonderful memories of our times together from chopping and splitting wood to fencing in 21 acres. And so many other memories that we will cherish always and forever. Marion was a man of his word and a true friend. We loved him so much just as we love you all. May God Bless you with much strength in the days ahead. Our Thoughts and Prayers are with you. With our most Heartfelt & Deepest Sympathy. Richard & Barbara Owensby

“ Our prayers to the family of this great man. We have respected and admired him for years. His strength and statue may have intimidated some but it was the size of his heart and his love for his family and friends that will be remembered. Praying for you all 🙏.

“ Great memories of knowing and working out at Straw's gym. He was quick to laugh and made our sometimes gruelling exercise programs pass quickly. He influenced many young people to start an exercise program. Our thoughts and prayers are with Connie and family.
