“ *I was so sorry to hear of Peanut's passing. I remember so many years ago as children when we went to church together at Washington Baptist. Those were the good old days. My heart goes out to his family and with Mrs Helen and Gary and his family. Such a comfort we have in knowing we will all be together again someday in Heaven.*

“ Peanut,
You will be missed little brother, I have had a few days now to think about the past / times sure I will have more days to think of what we done as kids (from Firecrackers, Camping, Beach, fights and don't forget the candy bar trick etc..) good times and bad - I'm sure the rest of the family and friends will have the same and more thoughts.

Sunday as Haley and several others was picking pictures so Reed and Mandy could make a DVD for this week.. Several older pic's of you just made me think - you were, was and always will be "Peanut" to us all... tell Dad and the others Hi... and as you always called me...g

“ I will miss my uncle Peanut's laughing and teasing. I know Brianna will miss playing the piano for him and Jasia will miss him getting in the floor to play with her. He was loved very much. Granny, Haley, and Chase - there are no words that I can say right now except to tell you I love you all and am here for you if you need anything. You're in our thoughts and prayers.

“ Haley and Chase,
I am deeply sadden in the loss of your daddy. Grief can be so over bearing, the next few days will be hard. Peanut made me smile, his unique sense of humor made him one of a kind. I pray for grace, comfort, and tender mercy for you all. Haley, I know your faith, and love for our Heavenly Father will bring you through these painful days. It doesn't seem possible now, but soon when you think about your dad, you will smile, maybe even giggle as something you see, or hear reminds you of him. Let the Lord lead you, carry you both, he will never leave you alone in these heartbreaking hours. I love you both. Peanut will be missed here on this earth, but, he is forever in our hearts and memories.
