“ *Marcus, Bobby and Billy,
I send my condolences to you for the loss of your mom. I have many great memories of her and your family and all of our friends that grew up with us from your neighborhood. I remember her making grilled cheese sandwiches or ground beef on toast for lunch and to this day, I can still see her cheering for me when I hit a homerun to tie a Little League All Star game. I always appreciated her coming to that game.
Sending my best thoughts your way, Tommy Grieve*
