“ Marorie Sabo was one of the most living people we ever knew. We met her when living in Coulmbia, S.C. and she baby sat with our son Josh when he was a baby. She was the mother of our daughter-in-law Stephanie Newman and the grandmother of our grandchildren, Joseph and Jennifer Newman. She was so loved by her daughter and grandchildren that it will take a long time for them to recover from their sadness in her loss. Marjorie will always be remembered for her kindness, love and strength. It was an honor to have known her.##imported-begin##George & Patty Newman##imported-end##

“ *Grandma was the best person ever. She was so beautiful, strong, and kind. She always had a smile on her face and a kind word to say to others. She was encouraging and funny, always singing songs or cracking jokes. I love her with all of my heart and will miss her dearly!*###imported-begin###Jennifer Newman###imported-end###
