“ I will always remember mark's sense of humor and how he would tap on my shoulder at church to get me to turn around from the opposite side. It worked just about every time. I remember when he worked with Ron for a short time and how I used to think of him when I was driving Derek to middle school in Greenville because I would see those trucks full of chickens.

Susan, I pray for you, the kids and your family, may God comfort you at this time and always.

“ To Mark family my heart is heavy at this moment when I learn of Mark passing there was so many questions of why what if only God and Mark know the answers to that I worked with him for 3 years he was always a man of few words we would joke with one of his saying: I would say Mark what's on your mind he would respond with I got my mind on my money and my money on my mind we would just laugh. I will always remember these days with Mark. Family I pray for understanding for us all he will be missed keep your hands in God's hand he will see you through

Mark was a special person. He meant a lot to every person that had the honor and privilege of knowing him. I'll always remember and think of him.

Within the first 5 minutes that I met him he told me never to touch his Greer baseball jacket.

Nancy, Susan, Karen and family, I can't even begin to say how sorry I was to learn of Mark's passing. When I say I grieve with you it's from the bottom of my heart. You were always like another family to us and I feel your pain. I can see our kids playing together from tiny tots on. May you find comfort in the days ahead. Much love Lois
