“ *I am saddened to hear of the passing of one of my best school buddies. Today is December 6th and I have just heard about it. I haven't seen Mark since our 10 year class reunion. You know it's fuñny how after high school you kinda take your own path in life and taking for granted how short our lives are. Mark and I have known each other since we started kindergarten together and I have many good memories of the times we had. Rayna.....I am so sorry. I didn't even know he was sick or even where he lived. I wish I had known so at least I could have visited him. If you would like to contact me to learn more about your Dad's younger years, please feel free to message me on my Facebook page. My name is Robert Howell. I along with some of his old friends that I have spoken with since I heard this are in a bit of a state of shock because none of us knew! God bless you in whatever life's path takes you and I hope that you include Jesus in your life. I loved your Dad!*

“ *My prayers go out to Marks family. We've lost touch over the years, but he will always be in my heart. We had great memories together and he was a very special part of my life...much Love. God's Peace.*
