“ Did not know Mark for a long time, however I found his wit, humor and spontaneity to a welcome aspect of a work day.

He was so very proud of his family, and often spoke about them with such love.

I found him to be a very kind and wonderful gentleman.

“ I was given the great privilege of working with Mark over the past 5 years - this last year working directly for him. He was a great person and I truly respected him. He will be greatly missed. I wish his family comfort and the knowledge at this time that he is with his Lord.
