“ I'm so sorry to hear of Mark's passing, I was Mark's first bus aide when he came to drive for special needs, we really had an interesting year to say the least. The one thing above many memories I would share is that we never failed to pray every morning before we left the lot, rip Mark, I know you are happy and free. God bless his family with comfort and peace.

“ Very sad to hear this, remember walking to Breckinridge middle school with mark. Playing in the neighborhood and riding with Mark and his dad in that old pick up truck. He was a good friend and great guy, Hadn't seen him since back in the seventies. Thoughts and prayers to his family and his sisters, Mike Robertson

Hello, this is Adam Coble. Steve Cobles son. Just wanted to reach out and say that Mark was a great listener, through my young childhood memories of Mark were also ways joyful and happy. HE LOVED THE LORD. What a great inspiration he was to me. Looking back , he took me sniper hunting. It was fun a time , even though this game that we were playing was a prank. So funny looking back at those times. I know that he will be dearly missed. Praise Jesus Christ, that he is truly walking with him now! Amen. God bless the loved ones ..

Adam, I remember well the fun Uncle Mark had planning that sniper hunt, he talked about it. Thankful for memories of fun times. Thankful for Heaven and the joy it brings to those who believe.
