“ Marie, I'm so very sorry to hear about Mark. I only met Mark once but I liked him and you and he seemed very compatible. Just going by your post on Facebook it seems that you and he had a happy life together and you'll have wonderful memories. Please accept my heartfelt condolences for you and your family. You'll be in my thoughts and prayers. Also, my sister-in-law, Ann Biggs Williams, sends her condolences and prayers. You and she were in high school and graduated together. “ *I am truly sorry for the loss of Mark, my long lost and recently found cousin. I cherish many happy memories from childhood before his family moved from the Chicago area to New Jersey. Thanks to Marie and Ancestry, we connected after 30 years so that I could get to know Mark as a grown up! Marie, please accept my sincere condolences, and express them to Michael and his family, and to Teddy, and Jo on the loss of their brother. Marie, I feel your pain.*

“ *How many hours did he and Dwight work to customize the van (that Dwight never got to ride in!) So many meals shared (a special New Years Eve at my parents in Palm Springs)...my heart breaks for you, but now I know Dwight has someone to talk to about cars. Love to you and Michael...Mary*

“ I cannot believe this. I am in shock. I have memories of Mark from my early teenage years as Michael's best friend. There were countless memories of movie nights (laser disk), pool parties, working on the 57, and all that goes with that. My heartfelt condolences to Marie, Mike, Shane, Caroline and Hunter. I always liked Mark a lot. I was blessed to see him after many years when he and Marie came to AZ on a roadtrip and I had dinner with them. Another time he and Mike were in AZ at a friends house (again another fond memory from my childhood) and had dinner with them at her house. Eternal rest grant unto him O Lord, and may perpetual light shine upon him. May he rest in peace.

“ I’m devastated by the loss of my friend and shipmate of 50 years. He was my next door neighbor and we worked together at Saufley Field Pensacola. Although we would skip talking for years because life got in the way, I never stopped thinking of him, Marie and our many adventures.

We would talk for hours, yes, about cars and our young lives. We would race home from work daily. Me in my bugeye sprite and him in his much faster Opel. It was pretty even because I cheated most days.

He was a good man. I pray that I will be able to look for him up there when I join him shortly.
